5 Holder of License No. **19260**
6 For the Practice of Allopathic Medicine
In the State of Arizona.

**ORDER REVOKING LICENSE
NUMBER 20760.**

7
8 This matter was considered by the Arizona Medical Board ("Board") at its public meeting on
9 February 9, 2006. On October 18, 2004 the Board issued Findings of Fact, Conclusions of Law
10 and Order for License Revocation, Stayed and Probation ("Order"). Respondent did not appeal the
11 Order and it took effect on November 22, 2004.

12 The terms of the Order required Respondent to successfully complete inpatient treatment
13 and enter the Board's Monitored Aftercare Program within one year. The Board re-opened case
14 MD-04-0057A to investigate Respondent's apparent violations of the Order. Respondent was
15 given written notification of the alleged violations and informed that the Board would discuss the
16 alleged violation with Respondent at its February 8-9, 2006 meeting. Respondent did not appear
17 at the meeting. The Board was presented with evidence that, as of February 9, 2006, Respondent
18 had not undergone the required in-patient treatment, nor entered the Monitored Aftercare Program.

19 After due consideration of the facts and law applicable to this matter, the Board determined
20 that Respondent had violated the Order by not undergoing in-patient treatment or entering the
21 Monitored Aftercare Program.

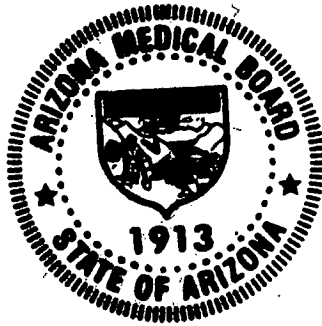

22 **ORDER**

23 IT IS HEREBY ORDERED that Respondent's License Number 19260 is revoked.
